LINCOLN UTC VISION AND VALUES STATEMENT

Lincoln UTC recognises that education is a basic right of every individual. Every member of Lincoln UTC will pursue the highest academic and behavioural standards. Lincoln UTC holds a clear vision:

In pursuit of excellence, we will create a supportive and innovative environment and develop professional, respectful relationships.

We will seek to achieve this vision by creating an atmosphere which is conducive to learning and supportive to our students. We will actively encourage partnerships with all parents and members of our community in relevant aspects of UTC life by:

- maximising the attainment of all students at all levels;
- improving and striving for excellence;
- connecting education with employment;
- creating the college of the future and embrace new technologies.

In order to do this it is our intention to make available to our students a broad and balanced education, which will:

- give students the opportunities of pursuing particular interests;
- enable students to develop so that they can play a full and active part in society;
- provide knowledge and insights into values and beliefs enabling students to reflect on their experiences in a way which develops their spiritual awareness and self knowledge;
- help students develop lively and enquiring minds with the ability to question and discuss issues rationally;
- give students the skills and confidence to take an increasing responsibility for their own learning;
- develop strategies to ensure full access to the work of Lincoln UTC irrespective of ability, age, creed, culture, gender or race;
- relate the curriculum of Lincoln UTC to the community, providing educational opportunities for all ages and encouraging participation of adults in all aspects of college life;
- create a concern for the community based on tolerance and respect;
- recognise that links with parents, feeder schools, industry, commerce, voluntary organisations and support services are an essential feature of the work;
- develop appropriate in-service training and support for all staff;
- ensure that the work of all staff contributes to the continued development of Lincoln UTC as an integrated community.
